## *Profiter de l'instant / Seize the Day*

Inspiré par l'univers nautique, en version 1, il en reprend les matériaux l'inox et le teck. On s' imagine aisément, confortablement installé à contempler le littoral.

La version 2 répond à une demande, le rendre plus accessible et enrichir ses usages. Il est maintenant bicolore et peut-être doté de deux dossiers en vis-à-vis et de deux accoudoirs.

*Driven by the nautical world, in its first version (V1), it takes back the same materials: stainless steel and teak. One can well imagine, comfortably sat to contemplate the coastline.*

*The Second Version (V2) answers a particular request: making it more accessible and enriching its users. It is now two-tone and can have 2 backs facing each other and two arms.*
