## Remarquable à tous égards / Outstanding In All Respects

La collection Botanic Twist en inox et robinier (Français et PEFC) est un projet convivial tout en courbes favorisant la rencontre. Elle se décline autour d'un majestueux banc végétalisé de 9 m de long doté de deux jardinières, de leur système d'arrosage et d'un éclairage led.

Ce banc végétal est une prouesse technique qui suscite l'admiration.

The Botanic Twist Collection, made of stainless steel and acacia (French and PEFC wood), is a convivial project, all in curves, favoring encounters. It is a 9-meter long majestic bench with two planters, their watering system and led lighting.

This vegetal bench is a technical prowess, which arouses admiration.
