## Corbeille urbaine design / Design City Bin

La corbeille Zig&zag vient compléter la collection. Elle propose plusieurs options possibles avec chapeau et ou cendrier. Son motif lui apporte une touche de design dans le paysage urbain.

En plus de cette poubelle urbaine design, dans la gamme de ce mobilier urbain, vous trouverez un banc urbain modulable, un tabouret et une table de pique-nique design.

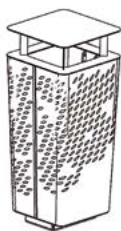

*This City Bin completes the Zig&zag collection. It offers several options with or without hat and ashtray. Its pattern gives it a touch of design in the city landscape. It is intended for the urban planning within towns.*

*In addition to this street design trash can, in the same range of urban furniture, you will find a modular street bench, a street stool and a design picnic table.*
