

_banki by Garib M'Zouri

Recharger les batteries / Recharge batteries

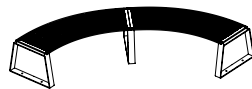

Banki se compose d'un banc droit et courbe. Doté d'une borne de rechargement USB, alimentée par un panneau solaire, il est facile d'installation. L'ensemble modulaire permet de multiples agencements et s'intègre aux espaces publics en respectant les contraintes du site d'implantation.

Banki consists of a straight and curved bench. Equipped with a USB charging station, powered by a solar panel, it is easy to install. The modular set allows multiple arrangements and integrates into public spaces while respecting the constraints of the site of implementation.

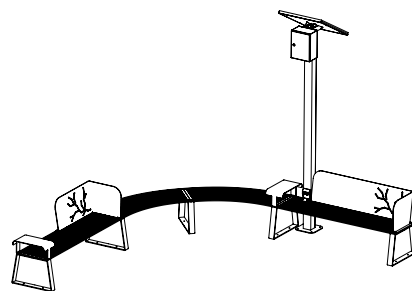

BANC DROIT / STRAIGHT BENCH

- 2 089 mm
- 898 mm
- 642 mm
- 455 mm
- 120

BANC COURBE / CURVED BENCH

- 2 005 mm
- 1 510 mm
- 2 900 mm
- 642 mm
- 455 mm
- 128

MÂT SOLAIRE - USB (OPTIONNEL) / SOLAR MAST - USB (OPTIONAL)

- mât 120 mm
- 3 200 mm
- mât (mast) 120 mm
- 455 mm
- 65

MATÉRIAUX / MATERIALS
acier / steel

<p>3 à 100 PLACES ASSISES 3 TO 100 SEATS</p>	<p> CHARGE USB USB CHARGING DEVICE</p>	<p> PANNEAU SOLAIRE SOLAR PANEL</p>	<p> ÉCLAIRAGE LIGHTING</p>
