

# \_eclosia by Christian Ghion & François Bazenant

*Colorée et courbée à souhait / Colored and Curved As You Wish*

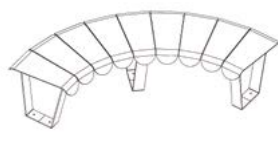

Eclosia est proposé en version ligne droite, courbe et demi-cercle. Sa colonne vertébrale sur-mesure se dessine aux dimensions de l'aménagement. Elle est ensuite recouverte de pétales indépendants, sans limite de taille. Les couleurs sont également personnalisables.

*Eclosia is available in straight, curved and half-circle versions. Its custom-made spine is designed to the dimensions of the space to be fitted. It is then covered by the independent petals, without size limit. The colors are also fully customizable.*
