

Cet appui vélo 2 places offre une solution pratique pour le stationnement des vélos à un prix attractif. Dispose de 3 points d'accroches : roue arrière + cadre | tube du cadre | roue avant + cadre. Léger, discret et personnalisable, il s'intègre facilement aux parkings de centres commerciaux, d'entreprises, ainsi qu'aux parcs et espaces publics. Son design épuré garantit une installation harmonieuse, favorisant la mobilité douce sans encombrer l'espace.

This 2-bike rack offers a practical and cost-effective solution for bicycle parking. It features 3 locking points: rear wheel + frame | frame tube | front wheel + frame. Lightweight, discreet, and customizable, it fits seamlessly into parking areas of shopping centers, businesses, parks, and public spaces. Its minimalist design ensures a harmonious installation, promoting soft mobility without cluttering the space.
