

Prism by Think Think Design®

Design intemporel / Timeless design

Mobilier urbain bois et acier qui allie parfaitement tradition et modernité. Conçu pour s'adapter à de multiples configurations. En ligne ou en courbe, il signe un espace en toute discrétion, apportant une touche finale aux projets d'aménagement.

Wood and steel urban furniture that perfectly combines tradition and modernity. Designed to adapt to multiple configurations. In straight or curved layouts, it defines a space with subtle elegance, adding the finishing touch to development projects.
